OFFICIAL OPENING OF THE ADDITION TO PUBLIC SCHOOL WILL BE HELD TOMORROW EVENING

Tomorrow, Friday December 2nd, will be the official opening of the addition to the Archie Stouffer Public School, here in Minden.

MINDEN PEE WEES TO PLAY OAKWOOD TOMORROW NIGHT

President of the Minor Hockey Association, Soup Campbell told the Progress today, that the pee wee hockey team will play Oakwood in Haliburton tomorrow evening at 8:00 p.m. He said it would be nice to see more local people out to their games to support the youngsters.

It is an evening opening commencing at 7:30 p.m., with everyone welcome to attend.

Platform guests will include, Mr. Lorne Coburn, School Board Chairman, Mr. M. J. Finn, Contractor, Mr. S. Sherbowich, Architect, Mr. Norman A. Harrison, Trustee, Mr. U. Moxam, Custodian, Mr. Harold Morgan, Principal.

The presentation of the plaque will be received by Mr. Len Lonsberry, Trustee. Rev. J. E. Cargo, will give the prayer of Dedication.

The guest speaker for the opening will be Mr. Peter Torrance, B.A., B. Paed. Mr. N. E. Ward, School Inspector will introduce the guest speaker.

TWO GALS, HIGHLIGHT NOMINATION MEETING HERE FRIDAY EVENING

The only thing which raised the heads of those who attended the nomination meeting here on Friday evening, November 27th, were two well known mothers taking an interest in municipal affairs. The two ladies, Mrs. Barbara Elder and Mrs. Libby Griffiths, will make a bid for a position on the School Board here next Monday, December 5th, election day.

Their opposition for the three seat board from this municipality are past board members Mr. Norm Harrison and Mr. Len Lonsberry. All board members of last term except those mentioned above have retired from their positions, these were Mr. Frank Welch, Mr. John Hill and Mr. Lorn Coburn. Those making up the

A very disappointing turn out was on hand for the nominations, the count wouldn't reach a hundred persons, which was a smaller number than attended two

years ago.

Robert Harvey Sr. made the only exciting suggestion of the evening, when he said the piano should be moved in from the arena for a sing song.

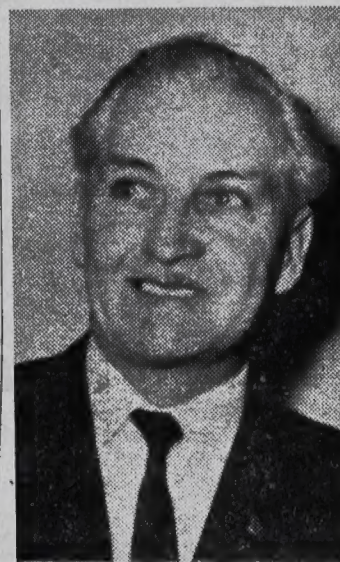

Charles Brandon moved that Gordon Bibby chair the meeting, which he did, and in doing so, did a fine job, keeping all procedures moving along at a good pace.

KINSMEN ANNOUNCE MARATHON WINNERS

President Lyle McKnight, of the Kinsmen Club here, announced this week the winners of their Marathon Draw to date.

The first draw was made on October 19th, and the winners were Roger Hogg and Ken Bagshaw, both of Minden.

The second Draw was made on November 16, R. C. McLean of Sutton West with ticket No. 109 was the lucky winner of \$100.00. The \$50.00 winner was Al McMullen of Minden and owner of Hospitality Inn.

other two seats on the board for this term will come from Lutterworth and Snowdon.

Acclamation, describes what happened for the council seats. All last years councilors, Deputy Reeve and Reeve were installed, once more without a vote, not so much as one other candidate was nominated, for any of these positions.

Charles Brandon, Mark Vasey, Reg Booth, Roy Windover, and Robert Gorrie, the latter three will once again sit as council, while Charles Brandon and Mark Vasey will continue as Reeve and Deputy Reeve in that order.

FENWICK FINCH

Well, here it is another week and another helping of "tripe" for you.

My thanks to Mr. Bonner for his letter. I appreciate him taking time out from his busy schedule to voice his opinions.

I heartily agree with his remarks about Abe Boatman. I have always appreciated Mr. Boatman's writing and for the life of me I wouldn't know why he stopped contributing to the paper. Maybe Mr. Bonner's letter will bring Mr. Boatman back — I hope so.

Mr. Bonner's letter reminded me of a quote from a very famous source, I believe it was Plutarch who said — "It is a thing of no great difficulty to raise objections against another man's oration, — nay, it is a very easy matter; but to produce a better in its place is a work extremely troublesome."

It was my privilege last week to have a short visit with E. Webb Harding and his wife in Lindsay.

While in Minden "The Smiling Irishman", started to make a name for himself in the Antique world. Since moving to Lindsay and renovating the Historic "Arsenal House," Ed has increased his following. Today Ed. is recognized as one of the foremost authorities on Canadiana and is consulted by various dealers and is rapidly becoming one of the leading wholesalers in Ontario.

The next time you are in Lindsay drop in and see Ed's display. He's not hard to find — on the corner of Lindsay and Mary streets — on your way to Peterboro.

You know, things aren't always what they seem. A lady in a small community was a self-appointed guardian of everyone's morals etc. etc. One morning she accused one of the local workman of spending the night in a local pub. She knew he was there because his car sat outside. The man said nothing but that night he parked his car outside the old girl's house, and left it there all night.

Met my good friend Sam LaBarge on the street the other night. Sam was in his usual quiet, contemplative mood. "Fenwick," he said, "by the look of the papers you're in the dog-house. Looks like your brains need a little tuning up." Sam reached the package under his arm and handing it to me, said, "These fish are supposed to be "brain food" try 'em out, maybe they'll help you."

Well, Sam, we've et the fish — and very good they were — but as I read this column over again, don't look like they done much good. However, I'm willing to keep up the treatment — you supply the fish and I'll see that they are properly administered.

(You must have been right about the brain food, Sam. — I'm getting smarter already.)

A tip 'O' the hat to Ivan G. Rodd of Lindsay Cleaners and dryers. Through Mr. Rodd's understanding and honest endeavour to satisfy customer difficulties he is assuring the continuing success of his business — largely through the faith his customers place in his integrity.

So much for another wee. I enjoyed Rev. Jim's remarks and I'm sure a great many readers feel the same way.

As Samuel Johnson once said, "I would rather be attacked than unnoticed. For the worst thing you can do is be silent as to my works."

KAWARTHA - HALIBURTON

CHILDREN'S AID SOCIETY

ASK A QUESTION

Have you ever considered sharing your home and love with a child, but have been uncertain how to go about this? The Kawartha - Haliburton Children's Aid Society feels there are many people in this position.

Attitudes and practices regarding adoption have changed greatly in the past few years. Before the adoption laws were introduced in the early 1920's, children were adopted through a contact which could be broken. This caused much insecurity and unhappiness to the children and adults involved.

When the adoption laws were passed, children were only placed on adoption after they had passed the strictest psychological tests. This time-consuming testing slowed down the placement of children and many children knew no home of their own until they were long past babyhood. Prospective adoptive parents too became adoptive parents only when certain strict standards were met.

In the intervening years adoption agencies developed more flexible and realistic attitudes toward adoption.

The Kawartha - Haliburton Children's Aid Society was established in 1896 and is one of the oldest in Ontario. It serves the counties of Haliburton, Victoria and Peterborough, an area of 4200 square miles with a population of over 100,000.

In the province of Ontario, there are many children who do not have the security of love "belonging" in a home of their own. Your Children's Aid Society is anxious to find adoption homes for these children.

Each year over 80 children are placed in adoption homes in this area covered by your Society. But there are still many more looking for homes. In this area most couples apply to adopt, receive a child in six or seven months. Although if a couple has a need for a child of certain age or appearance or talents, the wait may be longer.

Your Children's Aid Society is anxious to answer your inquiries and invites all of those interested to contact Mrs. Eastman or Mr. Boelhower at Lindsay, 324-3594.

Business In Minden

BREWERS' WAREHOUSING CO. LTD.
EFFICIENT SERVICE - NEAT & CLEAN

The Brewers Retail Store here in Minden is a shining example of the efficient service, the neatness and cleanliness, of this vast chain of stores. The man responsible for this is Mr. Leonard Lonsberry, better known throughout the area as Len. He has been manager here since the store opened in April 1956, and in May of 1957, will have completed eighteen years with this company.

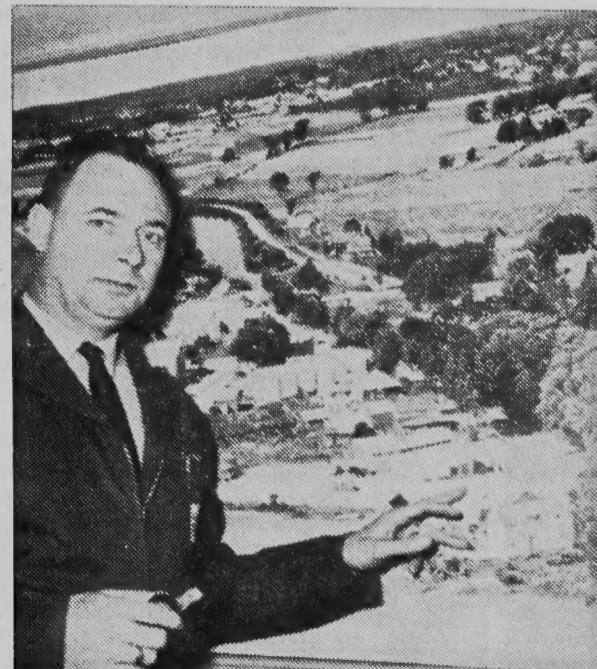

Since Len came to Minden ten years ago, he has been one of the towns leading citizens, participating and working on various functions and organizations. He is a Charter Member of the Kinsmen Club, and over the years has been quite active with this type of service work. At present he is an officer in the Masonic Lodge, and is completing his second term on the Minden Township School Area Board. Len is Captain on the Volunteer Fire Department and is a volunteer Ambulance Driver, which is quite a credit to any citizen. He is a keen worker in St. Paul's Anglican Church, holding down the job of Envelope Secretary and Sidesman. Len is very fond of the outdoors, and needless to say his hobbies are hunting and fishing, he spent several years entertaining hockey fans at the arena, playing Intermediate, and was Captain of the club when they finished in the semi-finals, from 1956 to 1958.

Len and his wife Margaret live in a new home, which he built in Prenticeville, they have two daughters, Karen, 15 who is attending Haliburton High School and Pamela, 18 who is in training for a nurse at Peterborough Civic Hospital.

There are now 365 Brewers Retail Stores in Ontario, and the head office for the one here is Ottawa. The building which is occupied by the Brewers was built by Garnet Lytle, who at that time used it for a new and used car business. He sold the building and property to Radill Jupp, who converted the building into a service station, Mr. Jupp still owns the building and property.

The Retail Store is divided into three rooms or departments, the loading or shipping room, the cooling room, which is kept at 42 degrees, and the store or sales department.

The Brewers Store here, is certainly a credit to the community, along with its manager Mr. Len Lonsberry.

Len Lonsberry, manager of the Brewers Store, is pictured above pointing to an aerial photo, which hangs in his office, taken in 1954 by H. Oakman of Peterborough. The photo shows the Brewers Retail Store when it was used as a service station, and operated by Mr. Jupp. This photo also gives a good view point of the village of Minden.

Jim Howe and Lee Harrison are shown above filling out their order at the order counter, which contains all the different Brewers and their products listed on the table in front of the two customers. A customer of this store can always be sure of a pleasant welcome and efficient service by the manager, Mr. Lonsberry. These stores set a fine example for other stores to follow when it comes to being orderly and clean.

THE PEOPLE MUST BE HAPPY

The people here in this municipality, and I am talking about the taxpayers — must be very pleased with the council of last term. In fact, they were so pleased they didn't get away from the television all night, to attend the nomination meeting.

For those of you who might have missed my last four editions — nominations for Council and School Board were held Friday, November 27th. When one scanned the council chamber on that night, he would think no one had heard of the nomination meeting. More people congregate in Sam Welch's General Store on a Saturday evening, than attended the meeting — in which the taxpayers can have their say.

All I can say is, the people must be happy with their rulers of the community. Now don't get me wrong — from what we have seen over the past year and a half, they have every right to be happy with council. But, a contented cow often misses out on green pastures, and stops producing.

Did I hear you say, who was on council last term? Well, those who have gone in this term are the same five gentlemen — by acclamation. Charles "Slim" Brandon, our jovial merchant of North Land Surplus, will once again conduct municipal affairs from the Reeves chair; Mark Vasey of Insurance fame, and a diligent worker on community projects, will be the Reeves right hand man in the Deputy Reeves chair; Robert Gorrie, our fast talking hardware salesman, is back in for his sophomore year on council; Reg Booth, who wheels and deals in plumbing, heating, contracting, boats, motors, ski-doo's — you name it he has it, will sit once more on council, he is rapidly edging out Mr. Lawrence Pritchard, as dean of Politics in this town — making a closer move in that direction on Friday night. Last but not least is Roy Windover, who is also known for his insurance lingo, completes the last strong link around the council table.

Now besides the fact, that no one takes an interest in who sits on council — I can honestly say this writer does, and as far as we are concerned, this group of interested citizens who run our community, have done a bang up job in the past. The Vankoughnet road is the biggest thing to hit the county since the Tartan, (Haliburton Tartan, that is) and this council played a big hand in that shuffle. The side walk on main street is another, we could go on and on. Besides accomplishing major projects, they have given this municipality its best administration ever.

What I am trying to say is — for the lack of interest shown in this municipality on nomination night, the people are fortunate to have such capable men as they have, taking an interest to run our affairs.

HALIBURTON COUNTY TUBERCULOSIS & HEALTH ASSOC. HOLD MEETING

A Regular monthly Meeting of the Haliburton County Tuberculosis and Health Association was held Monday, November 22 at the Haliburton United Church Hall with a good representation of members present.

The President, Mrs. R. Schofield was in the chair and opened the meeting by remarking that she was thrilled to learn recently that B.C.G. was being used in the treatment of Leprosy, and while it is still in the experimental stage, was proving effective.

It was moved by Mrs. McManus that the minutes of the previous meeting be adopted as read.

SPORTS

WITH BOB BEENEY

The Minden Juveniles are consistent to say the least. They are in other words continuing their unwinning ways of last year. In their first two games they were outscored by the opposition to the tune of 24 - 1.

Last Friday night in a game in the Haliburton Arena they were clobbered 6 - 1 by Coboconk and on the following night Little Britain smeared them by the unheard of score of 18 - 0.

Young Larry Kent playing goal for Minden must have thought he was employed in a rubber factory considering the number of pucks that were sent whizzing towards him by the opposition.

In both games the Minden team stood back and let the opposition control the puck and the game.

The one thing that can be said in favour of Minden is that they certainly are polite. Any time the opposition wishes the puck the players gracefully curtsied aside and let them take the rubber disc.

The next game for the team is in Haliburton on Friday night at nine o'clock.

The Minden Pee Wees play against Cannington at 8:00 p.m. on the same night, also in Haliburton. This will be the first game of the season for the Pee Wees.

Turnout for minor hockey practices are still running about average, although there are usually more youngsters at the practices on Friday nights than there are on Wednesday nights. This is likely due to school on Thursdays with parents having concern about children out during of the week.

However in Minden we have two youngsters who come out to every practice come H— or high water, Brian and Lee Austin attend every practice even though they either have to walk, or ride bicycles about a mile to the bus pick-up area. If we had more kids with their kind of enthusiasm we would have teams of champions, no matter how many games were lost by score.

Intermediates Open Season

The Intermediate hockey team here have been working out at the Haliburton arena the past week. Monday night they played their first exhibition game with the Haliburton team and went down to defeat 10 - 2. However this is no indication of what is in store for the club here, they were without a couple of their better players, and besides the Haliburton club have been working out for over a month now.

We will have the Intermediate schedule for you next week.

THE HUNT CAMP

WITH BILL PAYNE

was a little heavy and carrying a pack about the same size, the second was sitting on an outboard motor and wished it were in his car, the third chap was carrying the spoils, a young doe, and wished it were cut up in the freezer. They looked like they were travelling for a week and still had two miles to go. If looks could tell, they wished they had stayed at home. But, they will be back next year to go through the same bit.

When we reached the road into camp, which is just four and a half miles long if you stick to the road, all the gear was packed on the wagons, Leonards and Bruce's. Unfortunately, Leonard's old girl broke down and the gear was transferred to Bruce's express. If you can imagine the amount of gear that twenty-five men would carry, placed in a box three feet by ten feet, then you have an idea of the load on the wagon.

The trip in, only took three hours, (it took eight hours to get out last year), there were many obstacles to say the least, such as bog holes, holes without bogs, stones, stumps and anything else that could get in the way. Most of the men walked in, as it was easier than riding the bumpy express. You ladies in the city, if your old man does not want to walk down the street a hundred yards, to get you milk or bread, remind him of the excursion into camp on a road that is anything but paved. We arrived at camp in the late afternoon and were greeted as usual with a big smile and pleasant welcome by Mrs. Nesbitt and her daughter Evelyn. These wonderful ladies do an excellent job on cooking and putting up with our shinnigans for the week. The first night in camp is always an enjoyable one, where old friends meet and new friends are acquired. Smiling "Uncle Milt" Kellar and his brother Frank were their old natural selves, and lucky Milt got his old bed back again, the one where the floor meets the navel and with Milt this isn't easy. Quiet John Luke was back again with his smiling face and blonde hair. John was elected Captain of the gang this year and a good selection too.

This article is dedicated to those who would like to know what takes place in a hunt camp, also to those who couldn't make it this year.

The definition of a hunting camp, as described by one of the many thousands of "Deer Widows", is a place where husbands congregate to get away from their wives and families. I am sure there are many reasons why men, (and women too) look forward to the hunt each year and spending a week or so in the bush country. However, the above explanation may be true in a number of cases.

Widerness Haven is a camp that is owned by Bruce Nesbitt of Minden and is situated to the northwest of Minden in the township of Anson. As the crow flies, it is only about ten miles from town, but as the hunters walk it seems like fifty miles.

The gang all meet at the Oasis Restaurant in Minden, you know, the place where Smorgasbord is King and is run by Mr. and Mrs. Boice. When I walked into the Oasis, there were hunters all over the place eating the breakfast they had missed or forgotten at home. It's amazing how a man will fuss and fume if he misses his breakfast during normal times — but let him go hunting and it's the last thing on his mind.

Last year there were only fifteen deer bagged at camp, but to listen this morning it sounded

who bagged his first deer.

One of the joys of "dog punting" is to come upon a hunter who has been successful, more so if it is his first deer. This morning was a most pleasant trip for me as a dog punter, to see the pleased look on the faces of Bill and Ron.

Bruce downed a deer this morning as well, I won't tell you what Bruce was doing during this time but with his new "308" he managed to get the job done. Bruce was to eventually bag four deer for the two weeks. Good shooting Bruce, it's been some time now. Must be the new gun.

Later that day, Bill Rowden bagged a fine eleven point Buck which took the other half of the pool for the largest deer. From now on Bill said, he is going to put a bayonet on his gun. From what I heard he fired six shots and the buck still kept coming and fell about five feet from him. I wonder what his thoughts were. Good shooting Bill, I am glad that one was close to camp.

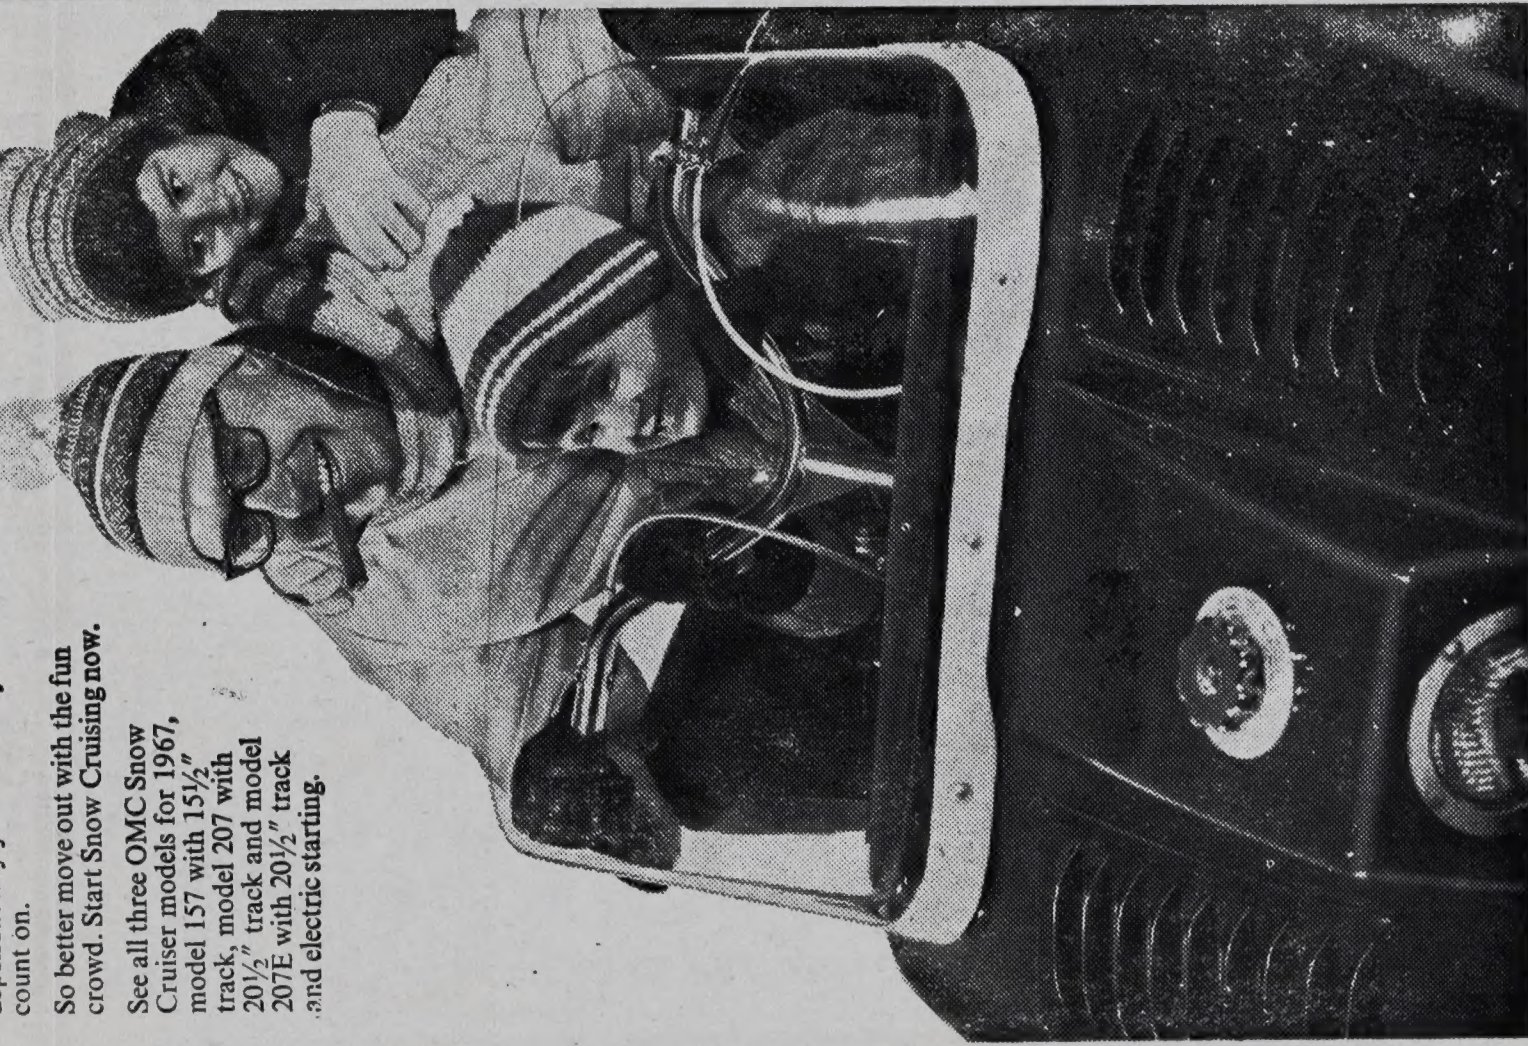

Next week I will continue with the second half of our hunting camp week.

count on.

MINDEN ONT.

it's the last thing on his mind. Last year there were only fifteen deer bagged at camp, but to listen this morning it sounded like each hunter had shot fifteen deer. The spirits were high, as everyone was eager to start the scenic cruise into camp.

Now highway 401, (hydro line road) was a tiny bit rough this year, the rains had given it a pretty good washing, and in some cases washed it right out. This didn't bother anyone because the Nesbitt Continental Express Train, (tractor and wagon) took off down the road as if Bruce knew what he was doing.

John Cornwith, (he flies aeroplanes you know) drove his truck into where the "401" meets "35 Highway" (road into camp), one thing about John he is tall and lots of gulls.

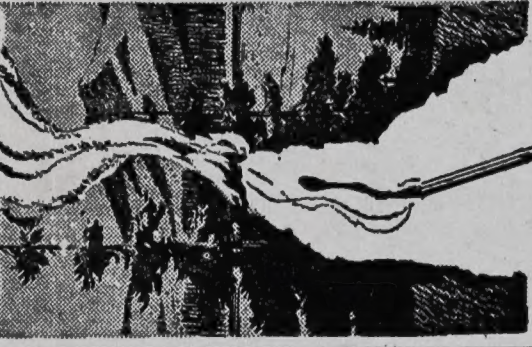

Hunters are a peculiar breed. On the way along the hydro road, we met some young fellows who had just finished hunting and were on foot walking out. After their week of bliss, they packed up camp and were carrying their gear to the cars. The first chap

back again with his smiling face and blonde hair. John was elected Captain of the gang this year, and a good selection too. Last year's "Petunia" was back, but more of him later. Ken Howe, the senior hunter in camp, was back minus his bow and arrow, and his son, "Sleepy", Craig.

On Monday morning everyone got up at five o'clock, (this soon changed) eager and chomping at the bite to get out in the bush. After a delicious breakfast of porridge, juice, bacon and eggs and camp office, Bruce led the parade, all twenty of them, around the main trail of the green block. Can you imagine being on a job the year round, where your rear end does all the walking and then have your legs carry you about a mile first thing in the morning after a big breakfast. I can say that some of the sharp edges were honed that morning.

The only deer we got in this run, was shot by Lawrence Nesbitt, a nice Buck.

The next run saw "Prem" Whitely bag a doe. Last year Preem

Seal Campaign Chairman reported that contributions to date were gratifying, but we still have a long way to go to meet our objective.

Mr. J. Rae Stinson, Case Finding Chairman reported there was a steady flow of people attending the November Minden Clinic. The next Chest Clinic will be at the Haliburton Legion, December 15, 1966, 1 p.m. to 3:30 p.m.

The 1967 Clinic Schedule will carry along, Minden-Haliburton, bi-monthly on the third Thursday of the month. This schedule will be published in our local papers.

Mrs. G. McManus, Publicity Chairman reported that the Haliburton County Echo and Minden Progress have been generous with publicity. Papers were passed around for persusal.

A date of January 9th, 1967 was set for the visitation of Mr. M. Banks from O.T.A. Management.

The December meeting will be a brief business session followed by slides on the International Conference held in Munich to be shown by W. J. Rae Stinson.

It was moved by Mr. Rae Stinson, that outstanding accounts be paid. It was moved by Mrs. R. Schofield, seconded by Mrs. G. McManus that we adjourn until December 6th, 1966.

Thank You

I take this opportunity to thank the Ratepayers of Anson, Hindon and Minden for the confidence placed in me in my Acclamation to Council.

To all I wish Seasons Greetings and a Prosperous New Year.

Hall's Lake News

STANHOPE RESIDENT
HONOURED BY THE QUEEN

H. Lloyd Johnson of Hall's Lake was honoured on Friday, November 18th, 1966, when he was received at Government House in Ottawa and invested as an officer (Brother) in the Most Venerable Order of the Hospital of St. John of Jerusalem.

The origin of this Order is lost in history, but it is known to have existed in the Holy Land about the year 600 A.D., when a hospital was established in Jerusalem to care for the sick and injured pilgrims. It became more prominent during the Crusades. When Jerusalem was captured, the exhausted Crusaders found therein a hospital ready to care for them. The work of this little group of religious Brothers became widely known when the Crusaders returned to their homelands. In 1099, the Order was re-organized and named The Order of the Hospital of St. John of Jerusalem.

The acquired the ancient monastery of St. John the Baptist and he became the Patron Saint of the Order.

There are six grades of the Order, as follows:- Bailiffs Grand Cross; Knights of Justice (or Grace); Commander (Brother); Officer (Brother); Serving Brother; Esquire.

Mr. Johnson became a Serving Brother in 1963 and was notified of his promotion, recently, by this

directive from Her Majesty, the Queen:

Clerkwell, London, E.C.1.,
9th June, 1966.

Sir:

I have the honour to inform you that Her Majesty, the Queen, the Sovereign Head of the Grand Priory in the British Realm of the Most Venerable Order of the Hospital of St. John of Jerusalem, has been graciously pleased to sanction your promotion to officer (Brother) of the Order of St. John as from 11th May 1966, the date of Her Majesty's signed Manual.

An announcement of this honour will, in due course, appear in the London Gazette.

I have the honour to be,
Sir,

Your obedient servant,
C. S. Evans,
Secretary-General

Prior to resigning in June of this year, Mr. Johnson was Chief training officer for the Ontario Council of St. John Ambulance. He is the owner of Happyland Campsite, where he resides with his wife and family. Mrs. Johnson (Helen) is a Registered Nursing Assistant on the staff of the Hyland Crest Home for the Aged here in Minden.

We welcome Mr. Johnson to Hall's Lake, and wish him every success in his desire to build up the Happyland Campsites into one of the nicest camping grounds in this country. We also congratulate Lloyd in his achievements as an Officer in the Most Venerable Order of the Hospital of St. John of Jerusalem, for in such achievement he brings honour not only to himself, but to his family and this neighbourhood.

HI NEWS

with Dianne Earle

The Students' Council has acted once again — this time they set us ahead quite a few bucks, via the annual magazine campaign for Curtis Publishing Co. The campaign prospered for more than a week, November 18th to the 28th, producing a \$2,500 total in magazine subscriptions. We met and passed our quota of \$2,000 and thus rate a victory Dance to be held this Friday night in the gymnasium — admission, one beanie. The dance is being held by the Curtis Co. as a reward to us for our accomplishment — so, no one who sold a magazine could hesitate to show up. The other two collective prizes Both went to 10A — the rates! As the first class to have full participation, they received a Pizza Party — that's All the pizza they can eat at one sitting, along with lots of pop to wash it down — and, in case they're still hungry — as the class which brought in the most money, they also dine in splendor of all the icecream they can handle — good luck kids. You deserve it, we have to admit — but watch out for the indigestion! Top salesman was Eric Finlay.

So, thanks moms and dads — and neighbours too, for buying or renewing your magazine through us. Because of you, we won beanies, records, stuffed animals, scarves — and, shall I go on?

And should anyone inquire as to where go the profits, we've a ready answer — the HOLLY BALL, for a start. This, our Christmas Dance is to be held in the gym on Friday evening, December 9th. Let's all get out and make this dance really swing — to the tune of the Reactions. Our Mid-Winter Night's Dream Formal, scheduled for February, depends alot on the success of this dance.

Forty-three Honour Students were presented with honour pins and bars at the banquet held for them by H.H. S. S. teachers, last Friday night. Dr. C. W. M. Service of Lindsay gave the students a very interesting and important message illustrated by slides he took on a recent trip to India. The interest shown by the teachers of our highschool in all the students is symbolically expressed by such gestures as this banquet. The acknowledgement given honour students by this annual occasion is very encouraging to them — and potential honour students of next year. We owe so much to those who go out of their way to help us, to those who care enough to do more than their jobs — but how often do we thank them? They thanked us — they showed their appreciation in the best way possible. They made Honour Students, honoured students — for this we are grateful.

A TRIBUTE TO A WORTHY WOMAN

Sad news has just been received in this area telling of the instant accidental death of Miss Janet Maus B.A. in her 80th year, while collecting for the Bible Society on Saturday evening last, in her home town of Ayr.

We feel sure that all who have had the good fortune to know this outstanding Christian lady, will wish to extend to the remaining members of her family, our sympathy and deep appreciation for the great contributions made to many sections of Haliburton County over many years in a most unassuming way.

With Miss Maus, the position of school teacher was just a starting point with the children, to give them a good grounding in academic work, and to show, by example rather than precept, throughout the community, how ones talents, energy and funds might best be applied to help both worthy causes and individual cases. Shunning publicity she was indeed diligent in every good work.

Of very independent nature, perhaps her sudden, if tragic departure at a ripe age, might be as she would have wished, while toiling in one of the good causes close to her heart, and having been a burden to no one.

Her life has been exemplified in the words of the well known hymn: "He Liveth Long Who Liveth well".

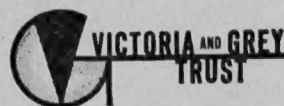

Funeral service was held in the Presbyterian Church in Ayr, at 2:30 p.m. Tuesday, November 29.

LICENCE PLATES GO ON SALE TODAY

Ontario's 1967 licence plates and vehicle permits will be available from Today (Thursday), December 1, for passenger cars and station wagons, Transport Minister Irwin Haskett announced today. Motorcycle plates will be available by December 19th.

The plates and permits will be on sale at all licence issuing offices throughout the province.

The 1967 plates have been specially designed to mark the observance of Canada's Centennial. They will have white lettering and numbering on a blue background and will carry the lettering "19 Ontario 67" on the top and "18 Confederation 67" on the bottom. The licence num-

bers will be separated by a crown, instead of a dot as in previous years.

Expiry date for present plates — and the final day for getting 1967 plates — will be Tuesday February 28. Mr. Haskett said there definitely would be no extension.

"The three-month issuing period gives ample time for everyone to get plates," Mr. Haskett said. "For their own peace of mind, we hope more motorists will get their plates early and avoid last minute line-ups."

On and after December 1, 1967 the Uninsured Motor Vehicle Fee will be raised from \$20 to \$25.

WEDDING

BURKE — KERNOHAN

Autumn leaves and bronze mums decorated St. Paul's Anglican Church, October 8th, when the Rev. Charles Dymond performed a double ring wedding ceremony for Elinor Marie Kernohan and James Grant Burke.

Elinor is the daughter of Mr. and Mrs. Holly Kernohan of Minden and James is the son of Mr. and Mrs. Harry Burke of Ingoldsby. Mrs. Don James rendered wedding music.

Given in marriage by her father, the bride wore a toe length white satin gown, trimmed with applied roses, lily point sleeves, a scooped neckline, and a large satin bow at the back of the waistband. Her shoulder length double tiered veil was caught by two fabric roses centered with simulated pearls and sprigs of lily of the valley.

Her matron of honour Mrs. Mrs. Robert Austin of Minden wore a pink lace coat of rayon nylon over a street length empire style dress of viscose crepe with matching headress and her bouquet was white roses and lily of the valley.

Brides maids were Miss Linda Burke of Fenelon Falls and Miss Leitha Burke of Ingoldsby wearing identical gowns of blue, similar to the matron of honour. Bouquets consisted of pink roses with lily of the valley.

Best man was Robert Austin of Minden and ushers Robert Burke brother of the groom of Ingoldsby and Ross Kernohan, brother of the Bride of Minden.

At the dance in the Rod and Gun Club, the brides mother received wearing a two piece dress of rosewood crepe and nylon lace, black accessories and a corsage of white roses. She was assisted by the grooms mother in a burgundy suit of cotton lace over taffeta with black accessories and a corsage of white roses.

The bride chose a suit of emerald green wool worn over a white blouse with lace sleeves, a matching hat, black accessories and a corsage of red roses.

The wedding trip was by car to Niagara Falls and Fort Erie.

Wedding guests were present from Oshawa, Whitby, Brooklyn, Willow Beach, Scarboro, Toronto, Gravenhurst, Fenelon Falls, Peterborough, Lindsay, Newton, Orillia, Oakville, Brampton, Fraser-ville, as well as this area.

The happy couple are residing here in Minden.

CARD OF THANKS

To all our friends, acquaintances, Dr. Koval, nurses, and others who helped both Glad and myself, in so many ways, while she was in Minden Hospital and since she has been home, may we express our sincere thanks. Also please forgive me for thanking you all collectively.

Harold G. Rice, Minden.

We would like to say thank you to our friends, relatives and neighbors for their kindness, their help, their beautiful flowers and cards and your prayers. A sincere thanks to Dr. Griffiths, Mrs. Mackay and her staff for their kindness and care of our father, to the Rev. R. Carder for his comforting words and prayers. We would like to thank the Welch Funeral Home for their sympathetic help and lovely arrangements.

Yours very sincerely,
The Austin family.
